

# SALE SUPPLEMENT

## Gestation Length & Additions or Corrections

Supplement Final Edition

*\*\* All Kris Black cattle have been tested negative for PI BVD*

**Hauling Plans:** Please be very specific with the sale clerk on your hauling plans. If you would like to haul cattle to your neighboring areas, please tell the clerk at check in or tell the head load out person immediately after the sale.

**Loadout:** Will begin, not earlier than 3:00 p.m.

\*\*Sale Order Sheets available at the clerks table.

\*\*Black Hereford Ranch retains the right to partner on two successful flushes on all Cream of the Crop Females unless stated otherwise in the footnote.

\*\*Black Hereford Ranch retains the right to the use of DNA on any animal sold in a Cream of the Crop sale. Tissue samples may be collected by Black Ranch at any time during the animals life. In any Cream of the Crop Sale, when you purchase a female, you are also purchasing the right to the use of her DNA, however, DNA on steers is reserved. Steer sales are listed as, the purchase of the possession on that animal for his lifetime only.
